MEMORANDUM FOR: HQ, USAF  
AFCIG-5

SUBJECT : FTD Training for F-101 Maintenance  
Personnel

1. A requirement exists for some of the aircraft maintenance personnel assigned to Detachment #1, 1129th Special Activities Squadron to attend an FTD familiarization course for F-101B type aircraft. Most of these men should be F-101B qualified prior to assignment, but some training of this type may still be needed. At the moment, three maintenance supervisors require this training.

2. We have made an informal contact with the FTD 503A located at Oxnard Air Force Base and they have expressed a willingness and capability to train up to twenty of our airmen over the next six month period. We would like to schedule these personnel in increments of six or less.

3. This is to request your concurrence for us to correspond directly with the FTD detachment commander at Oxnard to coordinate our requirements and arrange for scheduling. All correspondence to them will emanate from Headquarters, 1129th SAS, Washington, D.C.
